

Going to the dentist

1	A dentist is a person who usually makes sure your teeth are ok.	
2	You are going to see a special dentist called _____ at a place called _____	
3	When you get there you can tell the person at the desk that you have come to see _____	
4	You will probably have to wait in the waiting room	
5	When it is time for your appointment you will sit in a special chair where you lie back.	
6	You will need to open your mouth wide.	
7	The dentist will put some special stuff like playdough into the top of your mouth. He will hold it there for a wee while and then take it out.	
8	The dentist might ask you to rinse your mouth out. Try not to swallow the mouth rinse, spit it out where the dentist shows you.	
9	The dentist may have to put some more playdough in your mouth before you can leave. When the dentist says you are finished you can leave.
