

g

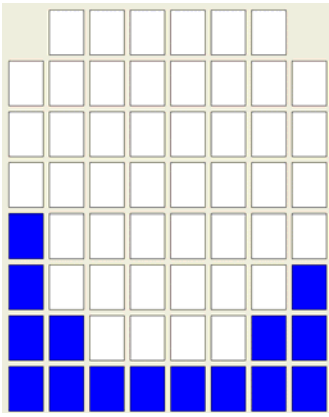

g

- To make the sound g use the back of your tongue
- The pattern for g is u shape
- Don't worry if your pattern looks a bit different
- Don't worry if when you say g there is not a full row at the back
- Say "ga", say "ag" remember to use the back of your tongue
- g has the same pattern as k. The difference between the two sounds is that g is a loud sound and k is a quiet sound.
